Child Poverty

Department for Work and Pensions (DWP) data on the number and proportion of children living in low income families provide an indication of the number of children living in poverty in each ward of the city. Low income families are defined as those whose household income is less than 60% of average household income. Only families who have claimed Child Benefit and at least one other household benefit are included in the statistics.

In 2021/22 there were 3,060 children living in low income households in Bordesley Green, 61.5% of all children in the ward, meaning the ward is ranked 3rd in the city in terms of the levels of child poverty.
