Aston Ward Factsheet

Aston ward is located in the inner city to the north of the city centre. It has a population of 24,439 making it the 8th most populous ward in the city.

The ward has a significantly younger age profile than the city as a whole and has a higher BAME population share.

Aston is amongst the city's most deprived wards and has the 3rd highest share of working age residents with no qualifications out of the city's 69 wards.

Resident employment rates in the ward are well below the city average and claimant count unemployment proportions are well above the Birmingham average.

Child Poverty

Department for Work and Pensions (DWP) data on the number and proportion of children living in low income families provide an indication of the number of children living in poverty in each ward of the city. Low income families are defined as those whose household income is less than 60% of average household income. Only families who have claimed Child Benefit and at least one other household benefit are included in the statistics.

In 2021/22 there were 4,915 children living in low income households in Aston, 58.6% of all children in the ward, meaning the ward is ranked 7th in the city in terms of the levels of child poverty.

Economic Output

New experimental data from the ONS provides Gross Value Added (GVA) a measure of economic output at LSOA level. Ward economic output has been calculated using an LSOA best fit approach. Total economic output in Aston stood at £632m in 2020 (latest data available) and GVA per head was £26,443. Aston has the 8th largest ward economy in the city in terms of GVA.
