The disposals will be through public auction.

The property are made available through mailing lists, press releases and online, so all members of the community will have an opportunity to purchase the assets available.

No direct external consultation is necessary for the disposal of sites as the opportunities are available to all members of the community.

3 Concluding Statement on Full Assessment

Full consultation and engagement has taken place with the Deputy Leader, Strategic Director of Economy, Legal Services, Senior Officers and Elected Members in determining the principles behind which the disposals strategy has been developed. Any proceeds generated will contribute to BCC's financial responsibilities and strategic outcomes. The properties identified for disposal will not impact negatively on the community, therefore there is no need for a full assessment on equality grounds.
