

# Recycling and waste services for events

**Birmingham Commercial Waste Services can provide waste and recycling facilities for your events, whether it be a jazz festival, a gardening show or a fun run.**

Using eye catching housings for 360 litre wheelie bins, we can offer a service for recycling paper/card and glass and cans. The housings are especially designed for recycling and prevent contamination with non recyclables.

General waste can also be collected in a similar bin to the recycling to help with the aesthetic look of your event. It can also be collected in 1100 litre wheeled bins.

The bins are delivered to site and picked up at a date/time to suit your requirements (including weekends).

#### Dimensions

Height: 151cm

Width: 61 cm

Depth: 107cm

Available for general refuse, paper/card & glass & cans.

To find out more about any of these services, just email our Commercial Waste team at [commercialwaste@birmingham.gov.uk](mailto:commercialwaste@birmingham.gov.uk) or give us a call on **0121 303 2894**.
