## **Jewellery Quarter Neighbourhood Planning Referendum (Business)**

### Referendum on the adoption of the Jewellery Quarter Neighbourhood Plan

On Wednesday 3 May 2023 all non-domestic rate payers within the Jewellery Quarter Neighbourhood Plan Area were sent a Non-Domestic Rate Payer Registration Form (Form A) and a Voting Choices Form (Form B) to enable all businesses (non-domestic rate payers) within the area to apply to register to vote in the Jewellery Quarter Neighbourhood Planning Referendum (Business) to be held on Thursday 13 July 2023.

The initial registration list received by the Business Registration Officer was provided by the Billing Authority (Birmingham City Council).

1854 letters were posted out to businesses (non domestic rate payers) on this initial list on Wednesday 3 May 2023.

The deadline for applications to vote at this referendum is 5pm on Wednesday 28 June 2023.

Any business (non-domestic rate payer) who believes that:

- They have become liable to pay non-domestic rates since the initial registration list was sent by the billing authority (Birmingham City Council) to the Business Registration Officer and
- Their business lies within the Jewellery Quarter Neighbourhood Plan area

Should contact the Business Registration Officer at the address below to obtain a Non-Domestic Rate Payer Registration form (Form A) and a Voting Choices Form (Form B)

Those business vote holders included in the initial registration list and have been sent an invitation to register but have since ceased to be liable to pay non-domestic rates on any hereditament in the referendum area, must contact the Business Registration Officer at the address below to enable the database to be amended and the entitlement to vote removed.
