| 1           | April 1  |              | 19          | August 5    |              | 36          | December 2 |              |
| 2           | 8        |              | 20          | 12          |              | 37          | 9          |              |
| 3           | 15       |              | 21          | 19          |              | 38          | 16         |              |
| 4           | 22       |              | 22          | 26          |              | 39          | 23         |              |
| 5           | 29       |              | 23          | September 2 |              | 40          | 30         |              |
| 6           | May 6    |              | 24          | 9           |              | 41          | January 6  |              |
| 7           | 13       |              | 25          | 16          |              | 42          | 13         |              |
| 8           | 20       |              | 26          | 23          |              | 43          | 20         |              |
| 9           | 27       |              | 27          | 30          |              | 44          | 27         |              |
| 10          | June 3   |              | 28          | October 7   |              | 45          | February 3 |              |
| 11          | 10       |              | 29          | 14          |              | 46          | 10         |              |
| 12          | 17       |              | 30          | 21          |              | 47          | 17         |              |
| 13          | 24       |              | 31          | 28          |              | 48          | 24         |              |
| 14          | July 1   |              | 32          | November 4  |              | 49          | March 3    |              |
| 15          | 8        |              | 33          | 11          |              | 50          | 10         |              |
| 16          | 15       |              | 34          | 18          |              | 51          | 17         |              |
| 17          | 22       |              | 35          | 25          |              | 52          | 24         |              |
| 18          | 29       |              |             |             |              | 53          | 31         |              |

\* The weeks **23/30 December 2024** and **17/24 March 2025** are shaded as these are the rent payment holidays for this financial year. If your account is up to date or in advance, you are not required to pay rent on these date with your rent, you must make a payment during this time in order to bring your account up to date.
