E1. SUMMARY AND EXPLANATION

1. Each Chief Officer has a number of delegations which are set out below. The following sections set out the delegations to officers:
 - Officer delegated decision making – setting out general notes on the parameters of the delegations and the process for taking officer delegated decisions;
 - Financial delegations to Chief Officers – setting out the financial and governance delegations to all Chief Officers;
 - Functional Delegations to each of the Chief Officers.
2. Each of these may be supplemented by a Scheme of Sub-Delegations.

E2. OFFICER DELEGATED DECISION MAKING

2.1 General Notes

1. All delegated functions shall be deemed to be exercised on behalf of and in the name of the Council.
2. The exercise of a delegated power, duty or function shall:
 - (i) be subject to the City Council's Policy Framework and/or Budget;
 - (ii) be subject to the requirements of the Constitution including the Council Procedure (B4), Executive Procedures (B6) Financial Procedure Rules (Part D), Procurement and Contract Governance Rules (Part D) Corporate Standards (C1) and any delegations contained therein.
3. An officer to whom a power, duty or function is delegated may authorise another officer to exercise that power, duty or function, subject to the requirements that follow:
 - (i) such authorisations shall be in writing and shall only be given to an officer over which the officer with the original delegated power etc. has control;
 - (ii) such authorisations should only be given where there is significant administrative convenience in doing so;
 - (iii) the officer authorised by the other should act in the name of the officer who received the original delegation;
 - (iv) no authorisation may be given if the statute or the law prohibits it.

Authorisations of this kind should not be considered to be the norm but used only in appropriate circumstances and after careful thought. There can be no additional such delegation.

Any mis-categorisation of a delegation as being Executive, non-Executive or anything else shall not invalidate the delegation.

4. References to any Act, Regulation, Order or Byelaw shall be construed as including any re-enactment or re-making of the same, whether or not with amendments.
5. Any reference to any Act of Parliament includes reference to Regulations or subordinate legislation upon which either UK legislation is based, or from which powers, duties and functions of the Council are derived.
6. Where the exercise of powers is subject to prior consultation with another officer, that officer may give his or her views in general terms in advance to apply to any particular circumstances, to remove the need for consultation for each proposal.
7. Subject to any express instructions to the contrary from the delegating body, any power to approve also includes the power to refuse, and the power to impose appropriate conditions.
8. Delegations to officers are subject to:
 - (i) The right of the delegating body to decide any matter in a particular case;
 - (ii) The officer may, in lieu of exercising his/her delegated power, refer to the delegating body for a decision; and
 - (iii) Any restrictions, conditions or directions of the delegating body.
9. In exercising delegated powers, the officer shall:
 - (i) Take account of the requirements of this Constitution and shall address all legal, financial and other professional safeguards as if the matter were not delegated;
 - (ii) Shall exercise the delegation so as to promote the efficient, effective and economic running of that Directorate and the Council, and in furtherance of the Council's visions and values; and
 - (iii) Where and when appropriate, report back to the appropriate delegating body as to the exercise of those delegated powers.
10. Except where otherwise expressly provided either within the Scheme of Delegation or by resolution of the delegating body, the exercise of any delegated power, duty or function is subject to having the appropriate and necessary budgetary provision in place to take the action in the name of and/or on behalf of the Council.
11. Save in respect of any statutory roles that are not capable of delegation, any power conferred on a subordinate officer shall be exercisable by the Director.
12. The Scheme of Delegations is maintained by the City Solicitor (Monitoring Officer), and delegations are added to it as they are made by delegating bodies. Officers should take care to inform themselves of any subsequent changes to the Scheme before solely relying on this document.
13. The City Solicitor (Monitoring Officer) shall have the power to amend the Scheme of Delegations to reflect re-organisations, changes in job titles and vacancies, where said changes result in re-distributing existing delegations and not the creation of new ones.
14. Any post specifically referred to in the Scheme of Delegations shall be deemed to include any successor post, or a post which includes within the job description, elements relevant to any

particular delegation, which were also present in the earlier post and shall include anyone acting up or seconded. Any power contained within this Scheme in anticipation of any reorganisation may be exercised in accordance with the preceding Scheme to the date of that reorganisation.

15. Any reference to a Committee, Panel or Sub-Committee shall be deemed to include reference to a successor Committee or Sub-Committee provided that the subject matter of a particular delegation can be found within the terms of reference of both the earlier and the successor Committee or Sub-Committee.
16. Where a power or duty is delegated to an officer, and the exercise of that power or duty is contingent upon the opinion of the Council that particular conditions or factual circumstances exist, then the officer in question has the power to determine whether or not those circumstances exist or those conditions have been fulfilled in the name of and with the authority of the Council.
17. All enquiries about the Scheme of Delegations should be made to the City Solicitor (Monitoring Officer).
18. All matters of interpretation of this document will be determined by the City Solicitor (Monitoring Officer).
19. If a matter is delegated to an officer, but that delegation cannot be implemented, that should be reported to the delegating body.
20. Functions, matters, powers, authorisations, delegations, duties and responsibilities etc within this Scheme shall be construed in a broad and inclusive fashion and shall include the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of anything specified.
21. Non-executive functions are specified in Schedules 1 and 2 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 as amended. Any function that is not therefore specified must be assumed to be executive.
22. Advice on procedures and matters to be taken into account in exercising officer delegated powers, is set out in the guidance on decision-making issued by the City Solicitor (Monitoring Officer).
23. For the avoidance of doubt, where a power or duty delegated under this scheme includes at source a power to recover costs, fees or charges, the delegation shall include the power to take all necessary action to recover such fees cost or charges by way of civil debt or otherwise and shall be without prejudice to any other power to charge or recover costs that the Council may have under legislation.
24. Where there is doubt over the responsibility for the exercise of the delegated power, the Chief Executive or his or her nominee is authorised to act.

2.2 Process and Recording of Delegated Decisions

Officers should ensure that delegated powers are exercised in accordance with relevant Council policies and procedures and also put appropriate systems in place for recording the exercise of delegated powers in the following manner and circumstances:

- (i) All decisions with a value of £50,000 or more made by Officers under delegated powers should be recorded in writing and a single copy for each Directorate produced to the Chief Executive and the Leader/Deputy Leader on the 30th September and 31st March of each year.
- (ii) Additionally, all decisions taken by Cabinet Members (based on a written report by the Chief Officer) should be recorded using the prescribed template. These decisions are only effective and actionable when posted on the Council's website by Committee Services and following the call-in process.

- (i) A decision **must** be made before the next scheduled meeting of the Cabinet; or
- (ii) A recommendation to the Cabinet should be implemented prior to the next scheduled meeting of the Cabinet by which it could be approved.

In either case, if the Chief Executive is satisfied that the making of the decision is urgent and cannot reasonably be deferred then the following shall apply:

Urgent Key Decisions

In such circumstances the Leaders of the two main Opposition Groups will be notified.

4.4 Extraordinary Meetings
