BAP 327

PATHFINDER 953 (SO 87/97)

Statement of Evidence for Path Claim BAP 327

- 1 The path is shown on the first edition of the Ordnance Survey six inch map (1880's).
- 2 The continuation of the path southwards, in Worcestershire, is recorded on the Ordnance Survey Pathfinder map, sheet 953 (1991) as a public footpath, this information having been taken from the relevant Definitive Map.
- 3 The path is in use by the public and has been repaired in places, with gravel.
- 4 It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
