Statement of Evidence for Path Claim BAP 64

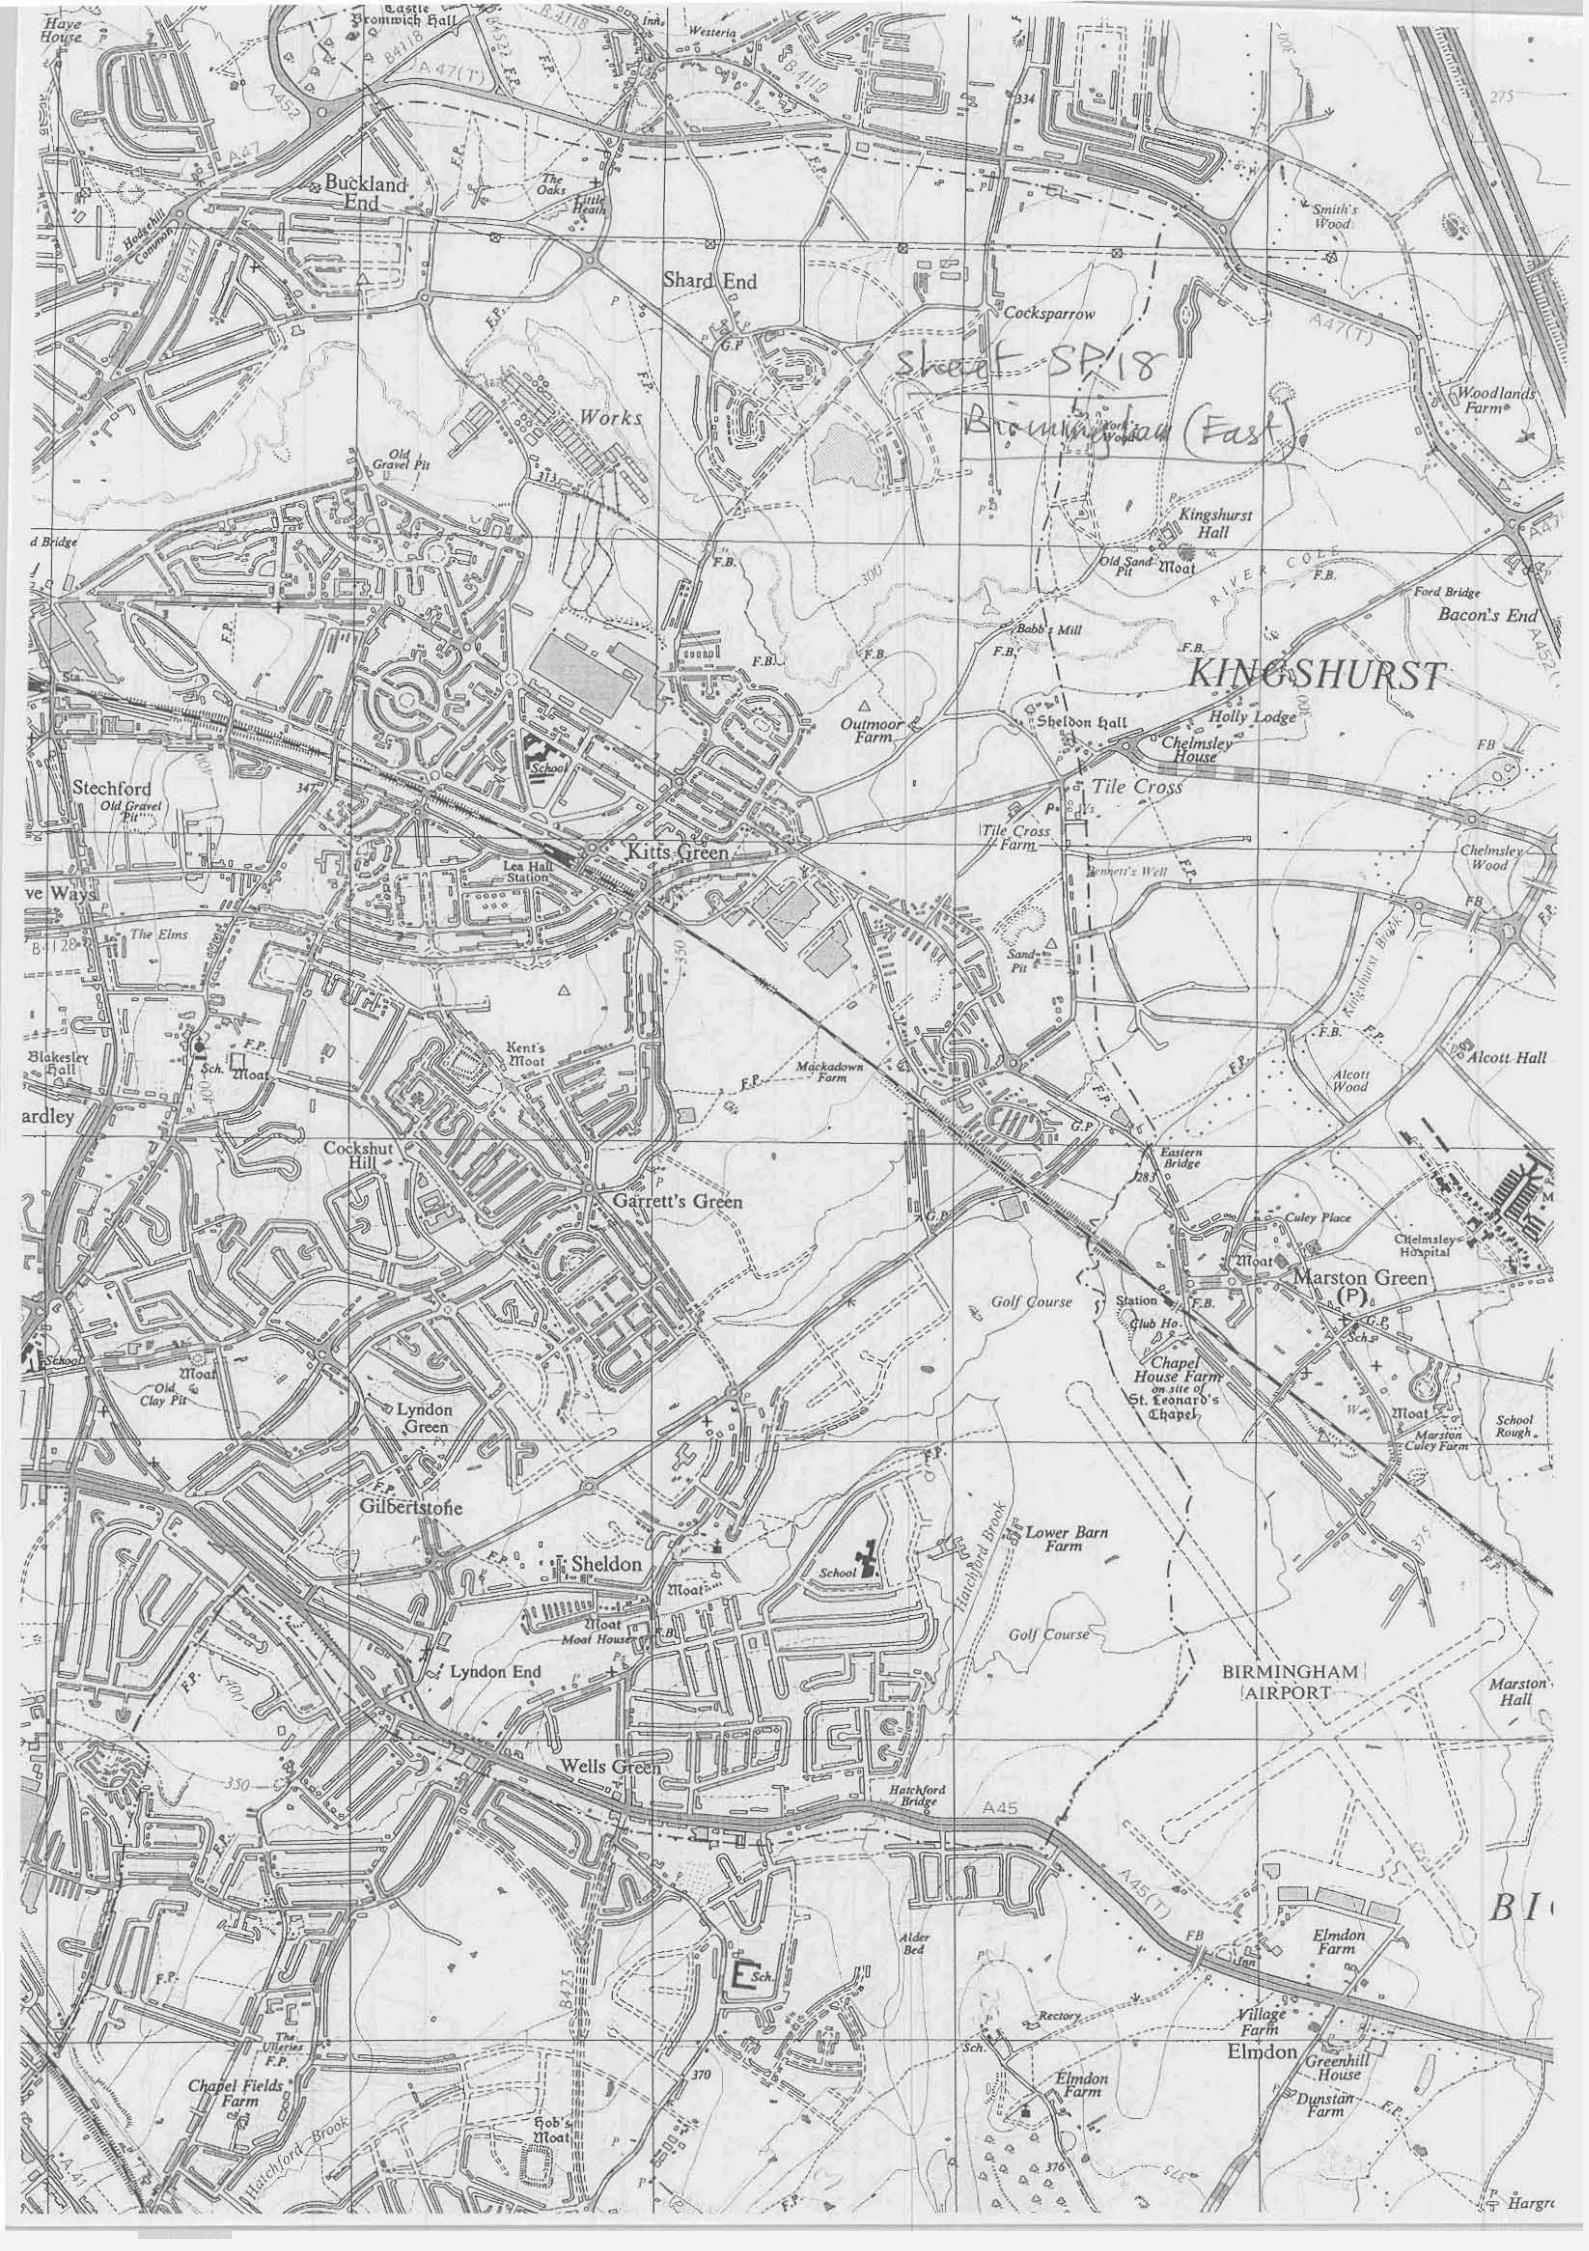

- 1 The original route is shown on the first edition of the Ordnance Survey six inch map (1880's), where it is labelled 'FP', with a "Foot Bridge" across the river.
- 2 This same route is recorded on the 1937 Footpaths Map of Warwickshire (Section One) published by the Ramblers Association (Midland Federation). A note on the map states that "only those tracks, which, from the best information available, are understood to be reputed public ways" are recorded on it.
- 3 The path was diverted by a Quarter Sessions Highways Order of 1949, with a Certificate of Completion dated 23 May 1960, so as to leave Packington Avenue 243 yards north-east of the river, then go south-east to, and across, the river. (The Order is held by the City Council in the Central Reference Library, Archives section at QS/B/21/17 (Box 17, item 5).)
- 4 This diverted route is shown on the Ordnance Survey sheet SP18 (1951 edition).
- 5 The path crosses the Gressal Lane Recreation Ground, but a recently constructed bridge over the river is not on the correct line of the path.
- 6 It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
