Statement of Evidence for Path Claim BAP 320

- 1 The claimed route is known as Marrowfat Lane.
- 2 It is first shown on the first edition (1880's) of the Ordnance Survey 6 inch maps as a passage.
- 3 The southern half was replaced by an estate road, with a public footpath link at the north end onto the unaffected northern part by The Stopping up of Highways (City of Birmingham)(No.9) Order 1997. The made Order was advertised in the London Gazette of 16 May 1997.
- 4 The northern half was to be diverted by the Birmingham City Council (Land adjacent to 161 Soho Road, Handsworth) Public Path Stopping up Order 2006, but this was never passed to the Secretary of State for confirmation.
- 5 The route is recorded on the (undated) City Council map of public rights of way.
- 6 It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
