Statement of Evidence for Path Claim BAP 164

- 1 This path is first shown on the map with the Yardley Tithe Apportionment of 1847. (This is already held by the City Council in the Birmingham Central Reference Library.
- 2 The whole path was diverted onto its present line in 1933 by a Quarter Sessions Highways Order. (The Order is held by the City Council in the above library under reference QS/B/21/2 (Box 15, item 7).)
- 3 The path is recorded on the (undated) City Council map of public rights of way.
- 4 It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
