Statement of Evidence for Path Claim BAP 317

- 1 The path is an alleyway between old walls (in part) and with old metal bollards at one end. It has a good, tarmac, surface with three modern street lamps.
- 2 The route is shown as a passage on the Ordnance Survey Pathfinder map (sheet 954) of 1988.
- 3 The path is recorded on the (undated) City Council map of public rights of way.
- 4 It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
