4. CARERS' ALLOWANCE

4.1 Authorised Duties

A Carers' Allowance can be claimed where Councillors necessarily incur expenditure in arranging care of their children or dependents when undertaking the same range of duties for which travel allowances and expenses can be claimed [Section 7].

4.2 Allowance Rate

The rate that can be claimed will depend on the nature of the care involved:

For independent care the maximum hourly rate that can be claimed will be the living wage.

For professional qualified carer with supporting documentation, the maximum hourly rate that can be claimed will be set at the Council's Care Assistant rate.

The current maximum hourly rates are shown in the Appendix.

4.3 Annual Review

The maximum hourly rates will be revised each year in line with the changes in the living wage and the Council's own hourly rate for a Home Care Assistant.

4.4 Making a Claim

Claims for Carers' Allowances must be made within 3 months of the duty being undertaken. For example, a claim for duties undertaken in 1st January must be made by 1st April and so on.

Payment outside that period can only be made if there are identified acceptable exceptional circumstances that prevented the claim being submitted within the required time limit.

Supporting information you will require:-

- Full details of the approved duty undertaken see Section 6.4.
- Provide name and age [If children under 14] for whom the care was provided.

6. TRAVEL ALLOWANCES AND EXPENSES

6.1 Basis for Payment

Councillors and Co-opted Members can claim for reasonable travel expenses that have been necessarily and exclusively incurred in undertaking a range of approved duties.

Payment can only be made for the additional expense incurred in undertaking the duty. In specific terms if a duty is part of an overall journey to or from work [or holiday] then the

amount claimable is the difference between the actual cost and the value of the travel that would have been incurred ordinarily.

*Where a member is travelling from home to a *permanent workplace, a journey is a qualifying journey (non-taxable) providing it is for approved duties and the member's home is situated in the area of the authority or no more than 20 miles outside the boundary of the authority.*

* The Council House may be a permanent workplace if that is where the members goes on a regular basis. Other places they visit on a regular basis e.g. surgeries in town centres could be permanent workplaces too.

6.2 Travel Allowances and Expenses

The following allowances and expenses may be claimed.

Car Mileage, Motorcycle and Bicycle Allowances. The rates per mile are those that are paid to officers of the authority. The current rates are shown in the Appendix to the Scheme.

Where a vehicle is used outside the West Midlands, the payment will be the lesser of the value of the actual mileage claimed or the peak time standard rail fare.

Standard Rail Fare.

Actual cost of taxi fares [including reasonable gratuity], tube fares, bus fares, car parking and toll charges.

6.3 Annual Review

The rates per mile of Car Mileage, Motorcycle and Bicycle Allowances will be revised each year from 1st April in line with the rates paid to officers of the authority.

6.4 Approved Duties

The following duties have been designated as approved duties for which travel expenses can be claimed.

Payment outside that period can only be made if there are identified acceptable exceptional circumstances that prevented the claim being submitted within the required time limit.

6.6 Payment Arrangements

Payment of claims submitted will be made upon submission of a fully completed claim form supported by appropriate receipts. Claims will be paid via a payroll system on the same date as for Basic and Special Responsibility Allowances.

6.7 Verification

As far as possible a pre-payment verification check will be undertaken, and appropriate adjustments made at that point in time. A final verification will be undertaken subsequent to payment of the claim.

This will include a cross-reference against any transport provided direct [Section 6.9] for attendance at an advice bureau where there is an upper limit of 4 per calendar month on such duties.

6.8 Overpayment

Where the verification process identifies that a Councillor or Co-opted Member has been paid more than the amount entitled, the over payment will be recovered subsequently through a deduction from any other allowances due to that Councillor or Co-opted Member or through the issue of an official invoice.

Air Travel. This will be justified if there is a significant saving in time and the cost involved is reasonable compared to the cost of alternative travel plus any saving in subsistence expenses.

Travel Pass. This facility will be provided on the following basis.

- For use when undertaking approved duties provided that the recipient makes a contribution of 40% towards the total cost met by the Council.

- The recipient does not claim for Travel Allowances or Expenses for duties undertaken in the area covered by the pass unless the relevant travel service was not available.
- The recipient does not make use of transport services provided direct by the Council unless the relevant travel service was not available.
- On the grounds of safety, to allow councillors who normally travel by public transport and who also have a subsidised bus pass, to travel to and from approved duties by taxi in the evenings, when there is very limited public transport.

7. SUBSISTENCE ALLOWANCES AND EXPENSES

7.1 Basis for Payment

Councillors and Co-opted Members can claim for reasonable subsistence expenses that have been necessarily and exclusively incurred in attending as an authorised representative of the Council **at a meeting, conference or seminar that is undertaken outside the Birmingham authority area.**

No Subsistence Allowance or Expenses can be claimed for any duty that is undertaken within the Birmingham authority area.

7.2 Subsistence Expenses

The following expenses may be claimed.

Subsistence - The reasonable cost of meals taken will be reimbursed subject to the provision of supporting receipts. The validity of the claim will be based on where the meal was taken, the total time spent on the duty and the value of meal allowances for officers.

The current rates for officer meal allowances are shown in the Appendix to the Scheme.

7.3 Annual Review

The rates for Subsistence Allowances will be revised each year, in line with the rates paid to officers in the authority or the inflation factor in the council's budget.

7.4 Submission of Claims

Claims for Subsistence Expenses must be made within 3 months of the duty being undertaken. For example, a claim for duties undertaken on 1st January must be made by 1st April and so on.

Payment outside that period can only be made if there are identified acceptable exceptional circumstances that prevented the claim being submitted within the required time limit.

7.5 Payment Arrangements

Payment of claims submitted will be made upon submission of a fully completed claim form supported by appropriate receipts. Claims will be paid via a payroll system on the same date as for Basic and Special Responsibility Allowances.

7.6 Verification

As far as possible a pre-payment verification check will be undertaken, and appropriate adjustments made at that point in time. A final verification will be undertaken subsequent to payment of the claim.

7.7 Overpayment

Where the verification process identifies that a Councillor or Co-opted Member has been paid more than the amount entitled, the over payment will be recovered subsequently through a deduction from any other allowances due to that Councillor or Co-opted Member or through the issue of an official invoice.

8. MATERNITY, PATERNITY AND ADOPTION PAY

8.1 Basic Allowance

All Members shall continue to receive their Basic Allowance in full in the case of maternity, paternity and adoption leave for six months subject to review, with a presumption that this will be extended for another six months if requested. Each case must be brought to CBM for the necessary dispensation.

If, however, an election is held during Members' parental leave and they are not re-elected, or decide not to stand for re-election, the basic allowance will cease from the date when they are no longer a Member.

8.2 Special Responsibility Allowance

Members entitled to a Special Responsibility Allowance shall be entitled to parental leave allowances as set out below.

Maternity Leave:

Members on maternity would be entitled to continue to receive their allowance in full in the case of maternity leave for six months, with a possible extension for a further six months to be agreed by Council Business Management Committee. Each case must be brought to CBM for the necessary dispensation.

Paternity Leave:

A Member is entitled to take two weeks ordinary paternity leave if they are the biological father or nominated carer of their partner following the birth or adoption of their child(ren),

is married to or is the partner or civil partner of the mother or co- adopter; and they have the main responsibility for the child's upbringing during the period of leave. During ordinary paternity leave the Member will continue to receive a full basic allowance and any relevant SRA.

Adoptive Parents Leave:

Members who are **newly** matched with a child by an adoption agency are entitled to leave. The nominated adopter is entitled to continue to receive their allowance in full in the case of adoptive leave for six months, with a possible extension for a further six months to be agreed by Council Business Management Committee. Each case must be brought to Council Business Management Committee for the necessary dispensation.

Shared Parental Leave:

Shared Parental Leave (SPL) enables eligible parents (including same sex) to choose how to share the care of their child during the first year following birth or placement for adoption. It applies to parents of babies due to be born/children placed for adoption via an adoption agency, on or after 5 April 2015.

SPL can only be used by up to two people in relation to each child:

- The mother/adopter of the child and
- One of the following:
 - the biological father of the child or
 - the person who, at the time of the birth, is married to, or the civil partner or partner (including a same sex partner) of the mother. A partner is defined as a person who lives with the mother and the child in an enduring family relationship but is not the mother's child, parent, grandchild, grandparent, sibling, aunt, uncle, niece or nephew.

BCC does not provide an occupational shared parental pay scheme for employees; any statutory pay due during shared parental leave will be paid at a rate set by the Government for the relevant tax year. Therefore, members who are eligible for shared parental leave will be receive the statutory amount, or at 90% of the SRA, if this figure is lower than the Government's set weekly rate, for the 39 weeks statutory maternity leave available. The remaining 13 weeks of shared parental leave are unpaid.

Summary

Each case must be brought to a private session of CBM for the necessary dispensation. Prior to this, eligibility for parental leave and/or allowances will be verified with Democratic Services.

If a replacement to cover the period of absence is appointed by Council or the Leader of the Executive (or in the case of party group position, the party group) the replacement will be entitled to receive an SRA, in full.

If, however, an election is held during Members' parental leave and they are not re-elected, or decide not to stand for re-election, or are removed from the post which attracts the SRA, the SRA will cease from the date when they are no longer a Member or no longer hold the post.
