23. If technology is provided by the operator to enable route planning and fare calculation they should ensure that drivers proceed to the destination by shortest possible route, through the programming of any technology provided by the operator, which is designed to assist drivers in route planning and calculation of fares.

32. Recording destinations - The very minimum you should record is the street and postal area of the main destination (e.g. Stratford Road, Hall Green) or the place (e.g. The Robin Hood, Stratford Road). At best it should be the full postal address (e.g. 1456 Stratford Road, Hall Green, B28 9ES). It is not sufficient to record just the postal area (e.g. Hall Green) as that would cover too wide an area. However where you know the full postcode (e.g. B28 9ES) that will suffice, as it would identify the street destination.
33. When allocating a booking to a driver, you must provide them with all of the following details:

Passenger Service Vehicles

42. Where a PHV operator also holds a PSV operator's licence, PSV's should not be used to fulfil bookings except with the informed consent of the hirer. This consent shall be recorded as part of the booking record.

For example, if a member of the public contacts a PHV operator and seeks a booking for a party of fewer than nine passengers it cannot be reasonable to assume a PSV is required unless there are other factors, e.g. a large amount of baggage, or a need for a wheelchair accessible vehicle which would not otherwise be available. If there is no good reason to use a PSV for a booking for fewer than nine passengers, the difference in licensing requirements should be explained and explicit consent obtained.
